## Employment

---

- |             |   |                               |
|-------------|---|-------------------------------|
| 2019 – 2020 | <b>Math Instructor</b>  | <i>University of Virginia</i> |
|             | Taught university-level Calculus as the primary instructor.               |                               |
| 2018 – 2019 | <b>Math Teaching Assistant</b>  | <i>University of Virginia</i> |
|             | Served as a Teaching Assistant for Calculus I and Differential Equations. |                               |

## Education

---

- |             |  |                                 |
|-------------|--|---------------------------------|
| 2018 – 2020 | <b>Masters in Mathematics</b>  | <i>University of Virginia</i>   |
|             | GPA: 4.00. Excelled in a variety of topics such as Probability Theory, Homological Algebra, Differential Topology, Algebraic Geometry, Computer Algorithms, and Algebraic Combinatorics. |                                 |
| Summer 2017 | <b>Research Program on Leibniz Algebras</b>  | <i>Tashkent, Uzbekistan</i>     |
|             | NSF-funded program to study degenerations of Leibniz Algebras. Presented research at a conference and co-authored a paper (see arXiv:1710.08141).  |                                 |
| 2015 – 2016 | <b>Study Aboard</b>  | <i>Université Blaise-Pascal</i> |
|             | Studied abroad in France and learned French to an proficient level.  |                                 |
| 2014 – 2018 | <b>Baccalaureate in Mathematics</b>  | <i>University of Oklahoma</i>   |
|             | GPA: 3.88. Took several graduate courses on topics such as Abstract Algebra, Real Analysis, Complex Analysis, and Algebraic Topology.  |                                 |

## Awards

---

- |             |  |                               |
|-------------|--|-------------------------------|
| Spring 2018 | <b>Samual Watson Reaves Award</b>                | <i>University of Oklahoma</i> |
|             | Given to most outstanding graduating math major. |                               |

## Computer Skills

---

- |                   |  |
|-------------------|--|
| <b>Capable</b>    | C/C++, Python, HTML/CSS, Git                                   |
| <b>Proficient</b> | Linux, BASH, LISP, L <sup>A</sup> T <sub>E</sub> X, Emacs, Vim |

## Languages

---

- |                 |              |                                     |
|-----------------|--------------|-------------------------------------|
| <b>English</b>  | Native       |                                     |
| <b>French</b>   | Intermediate | <i>Conversational</i>               |
| <b>Japanese</b> | Basic        | <i>Basic words and phrases only</i> |
